date of report

RESULTS:

Based upon the exam dated 08/02/2023, this dog has been found to be free of significant observable inherited eye disease and has been issued an Eye Certification Registry Number which is valid for one year from the time of the exam. The following breeder option codes were noted: D3a:Persistent Pupillary Membranes - Iris to Iris

Breeder Options are clinical observations that may be inherited but do not represent current potential compromise of ocular comfort, vision or other ocular functions.
